Description

The Electronic HPE Care Pack Services (e-Care Pack) capability allows you to order, receive, update, and activate a wide range of valuable HPE Care Pack Services over the Internet. Administered through the HPE Services Network (CSN), it is a fast and simple process that enables immediate registration and service activation. Increase equipment availability and productivity with high-quality onsite and remote support for your HPE hardware, as well as selected multivendor equipment. This flexible HPE Care Pack packaged service covers desktops, workstations, servers, notebooks and laptops, network equipment, and printing. Choose 4-Hour 24x7 Same Day Hardware Support when you need to extend your hardware warranty coverage with prompt, anytime service for key systems and devices; obtain easy-to-buy, easy-to-use onsite services; improve hardware performance and uptime; increase the return on your HPE and multivendor hardware investments; enjoy consistent service coverage across geographically dispersed sites. This Post Warranty service includes all HPE branded HW options qualified for the server, purchased at the same time or afterwards, internal to enclosure and <+22" monitor. Servers installed in a rack include support for HPE qualified rack options installed within the same rack. System must be registered to be eligible for service.
