Description

The Electronic HP Care Pack Services (e-Care Pack) capability allows you to order, receive, update, and activate a wide range of valuable HP Care Pack Services over the Internet. Administered through the HP Services Network (CSN), it is a fast and simple process that enables immediate registration and service activation. This service helps ensure that your new HP hardware or software is installed smoothly, efficiently, and with minimal disruption of your IT and business operations. Choose HP Installation Service when you need to cost-effectively obtain specialized expertise for a complex, one-time task; enjoy top performance right from the start; shorten your time-to-ROI. This service covers HP LaserJet 2xxx, 4xxx, 5xxx series.
