

Dell Intel - Customer Kit - SFP28 transceiver module

25 Gigabit LAN - 25GBase-SR - for PowerEdge C6420 - FC640 - M640 - R430 - R440 - R540 - R6415 - R7415 - R7425 - R940 - T440 - T640

Group	Printing Accessories
Manufacturer	Dell
Manufacturer item no.	407-BCBK
EAN/UPC	5397184074855

Description

Intel - Customer Kit - SFP28 transceiver module - 25 Gigabit LAN - 25GBase-SR - for PowerEdge C6420, FC640, M640, R430, R440, R540, R6415, R7415, R7425, R940, T440, T640

Main features

Product Description	Intel - Customer Kit - SFP28 transceiver module - 25 Gigabit LAN
Device Type	SFP28 transceiver module
Form Factor	Plug-in module
Cabling Type	25GBase-SR
Data Transfer Rate	25 Gbps
Data Link Protocol	25 Gigabit LAN
Designed For	PowerEdge FC830, R415, R720, R805, R900, R910, T420, T430; PowerVault DL2100; PowerEdge C6420, FC640, M640, R430, R440, R530, R540, R630, R640, R6415, R730, R740, R7415, R7425, R930, R940, T440, T640

Extended details

	General
Device Type	SFP28 transceiver module
Form Factor	Plug-in module
	Networking
Connectivity Technology	Wired
Cabling Type	25GBase-SR
Data Link Protocol	25 Gigabit LAN
Data Transfer Rate	25 Gbps
Features	High Temperature
	Expansion / Connectivity
Interfaces	1 x Ethernet 25GBase-SR
	Compatibility Information

Designed For

Dell PowerEdge FC830, R415, R720, R805, R900, R910, T420, T430 ; Dell PowerVault DL2100 ; Dell EMC PowerEdge C6420, FC640, M640, R430, R440, R530, R540, R630, R640, R6415, R730, R740, R7415, R7425, R930, R940, T440, T640
