## Description

Lenovo Google Meet Series One - Touch controller - chalk

## Main features

|                     |                               |
|---------------------|-------------------------------|
| Product Description | Lenovo Google Meet Series One |
| Device Type         | Touch controller              |
| Dimensions (WxDxH)  | 24.5 cm x 16.4 cm x 9.1 cm    |
| Display             | 10.1" 1280 x 800              |

## Extended details

| General                  |                                                                                                                                |
|--------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| Device Type              | Touch controller                                                                                                               |
| Width                    | 24.5 cm                                                                                                                        |
| Depth                    | 16.4 cm                                                                                                                        |
| Height                   | 9.1 cm                                                                                                                         |
| Enclosure Colour         | Chalk                                                                                                                          |
| Display                  |                                                                                                                                |
| Diagonal Size            | 10.1"                                                                                                                          |
| Viewable Size            | 10.1"                                                                                                                          |
| Native Resolution        | 1280 x 800                                                                                                                     |
| Image Aspect Ratio       | 16:10                                                                                                                          |
| Image Brightness         | 350 cd/m <sup>2</sup>                                                                                                          |
| Image Contrast Ratio     | 800:1                                                                                                                          |
| Monitor Features         | Anti-smudge, 2-point multi-touch, ±89° horizontal viewing angle, ±89° vertical viewing angle, color sensor, orientation sensor |
| Expansion / Connectivity |                                                                                                                                |
| Interfaces               | 1 x network / power - Ethernet 10GBase-T (PoE) - RJ-45                                                                         |
