

Peerless Full-Motion Plus Wall Mount With Vertical Adjustment PLAV60-UNL

Mounting kit (wall plate - articulating arm - adapter plate) - for flat panel - cold-rolled steel - black - screen size: 42" - 95"

Group	Flatscreen Accessories
Manufacturer	Peerless
Manufacturer item no.	PLAV60-UNL
EAN/UPC	0735029243311

Description

Designed for easy installation even in hard to access areas like custom frames and recessed cubby holes, the PLAV60-UNL includes a vertical adjustment feature located within reach behind the display that enables you to adjust the display position up to an inch up or down for perfect placement. Swing, tilt and extend your plasma or LCD display with ease thanks to self-lubricating bushings at every pivot joint. The PLAV60-UNL adjustable tilt and pivot allow you to position your display for the optimal viewing angle, making it a great Full-Motion Plus Wall Mount, as well as ideal installation tool.
