

Citrix Virtual Apps and Desktops Premium Edition

Subscription licence - 1 user/device - hosted - for service provider - includes incentive

Group	Software
Manufacturer	Citrix
Manufacturer item no.	4082491

Description

Citrix Virtual Apps and Desktops leverages desktop virtualization, allowing you to manage all desktops at once while rolling out updates, patches, and applications updates. Accessible on any device, the solution provides compression and graphics acceleration technologies to optimize professional 3D graphics apps over low-bandwidth, high-latency networks. Designed for seamless integration and proven in demanding production environments, the Citrix solution combines high performance with simplicity and manageability unmatched by point solutions or piecemeal strategies.
