AXIS S1116 Racked

Out-of-the box ready rack server for high-definition surveillance

AXIS Camera Station S1116 Recorder is an out-of-the-box ready rack server validated for reliable high-definition surveillance up to 4K. For quick and easy installation, AXIS S1116 is preconfigured and preloaded with AXIS Camera Station video management software including licenses for 16 channels plus all necessary system software. The system configuration can easily be imported from AXIS Site Designer, and AXIS Camera Station lets users take full advantage of Axis wide range of video surveillance devices. With enterprise-grade hard disks, operating system stored on solid-state drive (SSD), and expandable storage capacity, AXIS S1116 provides high-performance and reliability for your system.

> **Ease of installation**

> **AXIS Camera Station licenses included**

> **Full compatibility with Axis products**

> **3-year hardware warranty with on-site replacement service**
