Description

With its contoured design, customizable features that easily adjust to your needs, and a specially designed, right-handed mouse, Sculpt Comfort Desktop transforms the way you use a keyboard and mouse. It helps you keep your wrists in a neutral position, while providing functionality and shortcuts that improve typing efficiency. The sleek design and comfort curve layout keep keys within easy reach, while straightening wrists with ergonomic palm support that protects against inflammation and repetitive stress injuries. The split spacebar offers backspace functionality to help you make the most of your keystrokes. Tight workspace? Sculpt Comfort Desktop can be easily customized to save space, and offer a more compact look, by detaching the palm rest.
