

Dymo Rhino 4200 - Labelmaker - B/W

thermal transfer - Roll (1.9 cm) - 180 dpi - up to 15 mm/sec - cutter

Group	Printers
Manufacturer	Dymo
Manufacturer item no.	S0955990

Description

The DYMO Rhino 4200 gets labeling jobs done fast - and done right. Easily navigate the familiar QWERTY keyboard. Use one-touch "hot key" shortcuts to quickly create and format wire/cable wraps, flags, fixed-length labels, module labels and more. Print labels up to 19mm wide in flexible nylon, permanent polyester and durable vinyl materials - plus print directly on heat-shrink tubes. Save even more time with great features - like the "favorites" key which provides single-key access to commonly used labels, symbols and terms; and the "custom" key which eliminates repeated steps by saving customized settings.

Main features
